What types of Services does Two Dogs Painting Offer?

Color Consultation: We have individuals who can work with you from an interior design to assistance in picking out a color.

Interior Painting: We paint it all, from ceilings to walls and all the trim.

Exterior Painting: We will paint the exterior of your home in the color of your choice. We will only use top quality products that are guaranteed to last.

Wood Repair: Many times while beginning the prep process we will find rotten or damaged wood. We have the expertise to replace that wood prior to painting.

Cabinets: Let's face it, kitchen makeovers can be very expensive. A less expensive way to get a new look is to paint the cabinets. We have helped numerous clients get that brand new look that they were looking for.

Specialty Painting: Looking for a different look? We can help you achieve your vision with everything from murals to faux painting techniques.
